Congress Chair: Dr. Tobias Hirsch, Halle (Saale)

PRELIMINARY PROGRAM

Together in Leipzig:
Phlebology – national & international

62nd Annual conference

Dear colleagues and friends

On behalf of the German Society of Phlebology, I cordially invite you to our 62nd Annual conference in Leipzig from 2 – 5 September 2020.

The Congress is one of the largest vascular conferences in Germany to which we regularly welcome more than 1,000 participants from Germany and abroad.

We look forward to experiencing an inspiring exchange of ideas with you in the plenary sessions, which will be held in English and German with simultaneous interpretation. We also would like to invite you to attend the International Ultrasound Masterclass.

The beautiful city of Leipzig has a centuries-long tradition of international exchange and was the place of work of eminent people such as Goethe, Bach, Wagner and Nietzsche. Thirty years ago, Leipzig played a seminal role in the peaceful revolution in East Germany.

We are pleased to welcome you to the boomtown of Leipzig, a city of science, culture and art of living.

Dr. Tobias Hirsch
Congress Chair
